2013 BILL

Gen

1 AN ACT ...; relating to: grazing lands conservation grants and making an
2 appropriation.

Analysis by the Legislative Reference Bureau

X The 2013-15 biennial budget act, 2013 Wisconsin Act 20, eliminated statutory authority for the Department of Agriculture, Trade and Consumer Protection to award grants for technical education and research under the Wisconsin Grazing Lands Conservation Initiative. The purpose of the initiative is to maintain and improve the management and productivity of grazing lands.

This bill restores statutory authority for grants for technical education and research under the Wisconsin Grazing Lands Conservation Initiative and provides funding for the grants.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
